From Bill to Everyone: 09:56 PM -- Congratulations to Kate and all the team for a fascinating performance.

From jmustain to Everyone: 09:56 PM -- Brilliant and wonderful! The technical challenges at the start merely served to remind us of the far greater challenges the pilgrims faced! Love from J and K in CA---we have each been to Plymouth Rock and were both moved to tears!

From Bill to Everyone: 10:00 PM -- On descendants; My grandfather White wanted to see if his family was descended from the White baby boy born on the Mayflower. When he discovered the White boy died a bachelor, all

researches were stopped! In 1917, when the genealogy was being done, "wrong side of the blanket" trumped Mayflower. My White forebears arrived in Taunton Mass in 1638. This has made me think about what they must have experienced.

From Doreen Friend to Everyone: 10:01 PM -- Brilliant x

From Claudette Ligons to Everyone: 10:14 PM -- Kate, This was an outstanding afternoon at the theatre! The acting was absolutely amazing. Your acting was as great as your script writing. I look forward to seeing some of your other work. Thank you again for an amazing production. The length of the scenes was good. The extra time at intermission was good as well.

Claudette Ligons: Didn't get my name of the feedback above. Superb!

From Vivienne to Everyone: 10:16 PM -- I've just passed a glass of bubbly to your sounds man, sorry I can't give one to each of you. Thank you it was a very enjoyable evening
